

## **ReMode Renfrewshire CIC (ReMode Youth) Board of Directors Recruitment**

### **About ReMode Youth**

ReMode is a community interest company based in Paisley, working with young people and local communities to explore creativity, sustainability and wellbeing through fashion and textiles. We create opportunities for people to build skills, confidence and connections while learning about reuse, repair and sustainable approaches to clothing.

Our work supports young people and adults in communities experiencing disadvantage, helping to reduce isolation, improve wellbeing and develop pathways into volunteering, training and employment.

ReMode is a small, passionate and close-knit team. We care deeply about the people we support and the impact of our work, and we are looking for board members who share these values and want to help shape our next stage of development.

### **The Role of a Director**

As a Director, you will help guide the strategic direction and sustainability of ReMode. You will work collaboratively with fellow board members and the staff team to ensure the organisation is well governed, financially responsible and achieving its charitable and social aims.

Responsibilities include:

- Attending board meetings (currently once each month)
- Contributing to strategic planning and decision-making
- Providing guidance within your area of expertise
- Supporting organisational sustainability and growth
- Acting as an ambassador for ReMode where appropriate

We aim to create a supportive and inclusive board culture where everyone's contribution is valued.

- Are encouraging, thoughtful and willing to listen
- Want to contribute to a values-driven organisation

We welcome applications from people who reflect the diversity of the communities we serve or who may be from the Renfrewshire area, and from those who may not have previously considered a board role.

## **Why Join ReMode?**

This is an opportunity to make a meaningful difference in your local community while being part of a supportive, passionate and purpose led organisation.
